

Excel Change Notification 09 - Category 6 Screened Cable Insulation Colour

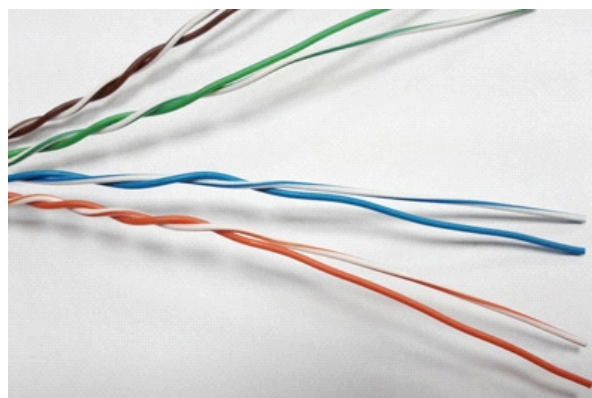

ECN No: 09
Date: 16th July 2012
Affected Product: Excel Category 6 Screened Cables
Effective Date: July / August 2012 onwards

Excel Category 6 Screened Cable

As part of Excel's continual improvement programme, and following customer feedback, the insulation color markings are being improved on the Excel Category 6 Screened Cable.

Existing Insulation Markings

New Insulation Markings

As can be seen in the pictures above the quality of the colouring is being improved to distinguish between the "Tip" and "Ring" cable.

The new cables will be introduced as and when existing stocks are depleted. Neither the performance or the outside cable sheath markings are affected by this change. See below for the list products affected by this change.
